12:30 END OF WEBINAR

WEBINAR DATE

This half-day webinar will be held **online** on the **6th of March 2025** for researchers from any research discipline who carry out their work in the **Aragon** region and those belonging to **Campus Iberus**.

OVERVIEW OF THE WEBINAR

The webinar is aimed at researchers who are interested in hearing more about Horizon Europe Pillar 1 'Excellence' funding through the European Research Council and those who are actively planning a proposal submission in 2025.

The webinar will provide brief information the ERC Starting Grant (StG), Consolidator Grant (CoG), Advanced Grant (AdG) and Synergy Grant (SyG). The overall approach to writing an ERC proposal will be concisely explained.

At the end of the webinar, participants will have gained **practical insights** on how to plan and write a competitive ERC proposal. They will hear from a successful ERC awardee, and learn more about available supports for ERC candidates.

The webinar will help researchers to decide if ERC funding is a good fit for them and will help to plan the **next steps** in preparing a competitive ERC proposal application.

WHAT IS HORIZON EUROPE ERC FUNDING?

The mission of the European Research Council (ERC) is to encourage the highest quality research in Europe through competitive funding and to support **investigator-driven frontier research** across all fields, based on scientific excellence. It funds creative researchers of **any nationality and age**, to run projects based across Europe. The overall ERC budget from 2021 to 2027 is more than €16 billion, as part of the Horizon Europe programme.

WHO SHOULD ATTEND THE WEBINAR?

Researchers from any research discipline who carry out their work in the Aragon region and those belonging to Campus Iberus.
